\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

●Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

• Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

●Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE. The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

●Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*\*See kind-of-business descriptions for treatment of plant outlets.

●Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

●Indicates subtotal.

1Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

•Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

Standard Notes: ... Represents zero. (D) Withheld to avoid disclosure. (NA) Not available.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

● Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

• Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

● Indicates subtotal.

\*Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

• Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

•Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

(NA) Not available.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

\*Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

● Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

• Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.  
\*\*See kind-of-business descriptions for treatment of plant outlets.

\*Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

• Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

\*Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

• Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

① Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

•Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

•Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

•Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

● Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

● Indicates subtotal.

\*Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

\*Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

•Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

... Represents zero. (D) Withheld to avoid disclosure. (NA) Not available.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

• Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.

● Indicates subtotal.

†Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

\*Data for establishments with no payroll are excluded; such establishments are included only at the next broader kind-of-business level.

\*\*See kind-of-business descriptions for treatment of plant outlets.

\*Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "●," since many of these individual kinds of business are not shown separately.

• Indicates subtotal.

Data on this line are for all part-year enterprises. Data for those part-year enterprises which were in business at the end of the Census year (which are the only part-year enterprises included in the count of establishments in Census tabulations) are shown on the following line.

NOTE: The individual kinds of business presented in this table do not necessarily add to the subtotal groups indicated by a "•," since many of these individual kinds of business are not shown separately.
